6 2019	Stage 3* Meaningful Use Calendar Year	\$8,500

Payment Year, as defined by CMS, refers to the year for which the payment is made, though payment will not follow until 30-45 days after a complete and correct attestation is received.

According to this schedule, payment would not occur until 2014 for fulfilling the program requirements in Payment Year 2013.

Tip Conceptualize Payment Year as the year of program participation or the year of the reporting period.

Total Possible Incentive Earnings are \$63,750.
